# UNIFORM POLICY

**Jewellery**

The only jewellery allowed to be worn in school, because of the danger of it being lost or being used as a weapon against others or themselves, is:

- Studs in ears. Earrings are not to be worn.
- Watches
- Medicare pendants or bracelets

The wearing of any of the above items in school is done so at the pupils' own risk. They must be removed for physical activities and craft activities, or covered by sticking plaster, at the discretion of the teacher in charge of those subjects. When the items have been removed they must be kept secure in the teacher's cupboard.

**Make-up**

Make-up may be worn, but only in small amounts. Excess make-up is not encouraged. Pupils who abuse this will be asked to remove it and then should be given instructions on how to apply make-up tastefully and in moderation.

**Hair**

All long hair should be tied back for PE lessons and as this can have serious health & safety implications. We must insist on this. Extreme or non-natural hair colours (e.g., bright pink, neon green, blue, etc.) are not permitted as part of the uniform policy. Hair should be kept in natural shades such as black, brown and blonde.
